

Mead Area Chamber of Commerce New Website Information

The Mead Area Chamber of Commerce is looking forward to 2017 urging our members to be active partners to preserve our vision in promoting businesses in the Town of Mead and in the surrounding area. Our mission is to be committed to keeping Mead strong and vibrant through:

- a.) Supporting and promoting member businesses
- b.) Serving as a voice to local government with respect to the concerns of its membership.
- c.) Fostering business development while preserving Mead's charm and rural character.
- d.) Providing business information and education to members.
- e.) Providing opportunities for inter-business networking.
- f.) Providing members a unified approach to interactions with government entities.
- g.) Providing an effective method of marketing the community and associated member businesses.

With your help we can meet our objectives to assist in economic development, attract quality industry and businesses, retain and assist in the growth of existing businesses, and coordinate and/or donate to selected community activities.

Our new Mead Area Chamber of Commerce website is up and running. It is for you to help develop and promote your business!

If at any point you get stuck, use the '[Contact MACC](#)' form in the 'Contact Us' menu to ask a question.

1. Review the 'Benefits of Membership' page in the 'About Us' menu. Maybe there are things you can take advantage of that you didn't know about.
